Many of you are familiar with "**The Divine Drama**", an Intermediate level study of Scriptures from Crossways International. During the 30 units of study, participants learn how various Bible narratives fit together and gain a deeper understanding of why we believe what we believe.

This course helps us understand that God is the Maker and Owner of everything. The world is our stage, and every human has a role in the Divine Drama whether the person recognizes it or not.

What is YOUR role? How does your part fit with others? Only God can see the big picture and only God knows when the final curtain call will be. In the meantime, we are given the responsibility (as our response to what God has already done for us and promises to continue doing) to worship the One True God: Father, Son and Holy Spirit. One way we do that is by serving our neighbor, following the example of Jesus the Christ, the servant King.

Congratulations to the four newest graduates of The Divine Drama:

Dick Loesch  
Stephanie Loesch  
Marilyn Seitzberg  
Martin Peters

May our Lord and Savior continue to bless you, abide with you and inspire you to continue to study His Word.
