

*The Lutheran Hour* will air simultaneously nationwide on CSN (Christian Satellite Network (CSN) International) affiliates every Sunday morning at 8 a.m. Mountain time. A list of CSN stations is available at [www.csnradio.com/stations.htm](http://www.csnradio.com/stations.htm).

The Rev. Dr. Mark Larson, LHM's Director of United States Ministries, added, "We are really excited about the addition of more than 350 new broadcast outlets. The location of these provides a robust coverage both along the West Coast and throughout the Southeast. The addition also provides more listening options nationwide, since *The Lutheran Hour* will now be airing over a total of more than 1,300 stations. We couldn't have asked for a better coverage fit. God is good!"

We here in Green Valley will continue to enjoy hearing Pastor Ken Klaus at the usual time of 7:00 AM on Sunday via KGVY AM Radio. Those who will be traveling in Arizona may find these new listings on the website above.
